A stylized, colorful illustration of a landscape. The background is a light blue sky with three white, fluffy clouds. In the foreground, there are two trees: one on the left with a dark blue canopy and an orange trunk, and one on the right with a green canopy and an orange trunk. Both trees have white and yellow flowers. Between the trees is a row of green bushes with small orange dots and thin lines extending upwards. The overall style is flat and modern.

**"A company is worth little without  
good workers."**

—Đuro Horvat

A graphic illustration for a circular economy. The background is a light blue sky with white clouds. In the foreground, there is a stylized Earth globe in shades of blue and teal. To the left and right are green leaves and branches with small orange dots. The text 'Circular economy' is centered in a large green font, and 'raw material – product – raw material' is centered below it in a smaller dark grey font.

# Circular economy

raw material – product – raw material

# Circular economy principles

1

**design out waste and  
pollution**

2

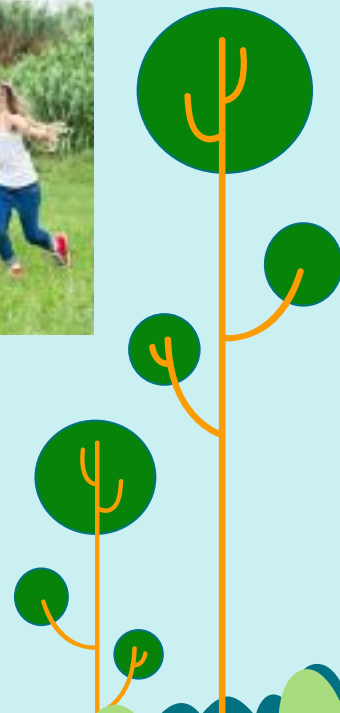

**keep products and  
materials in use**

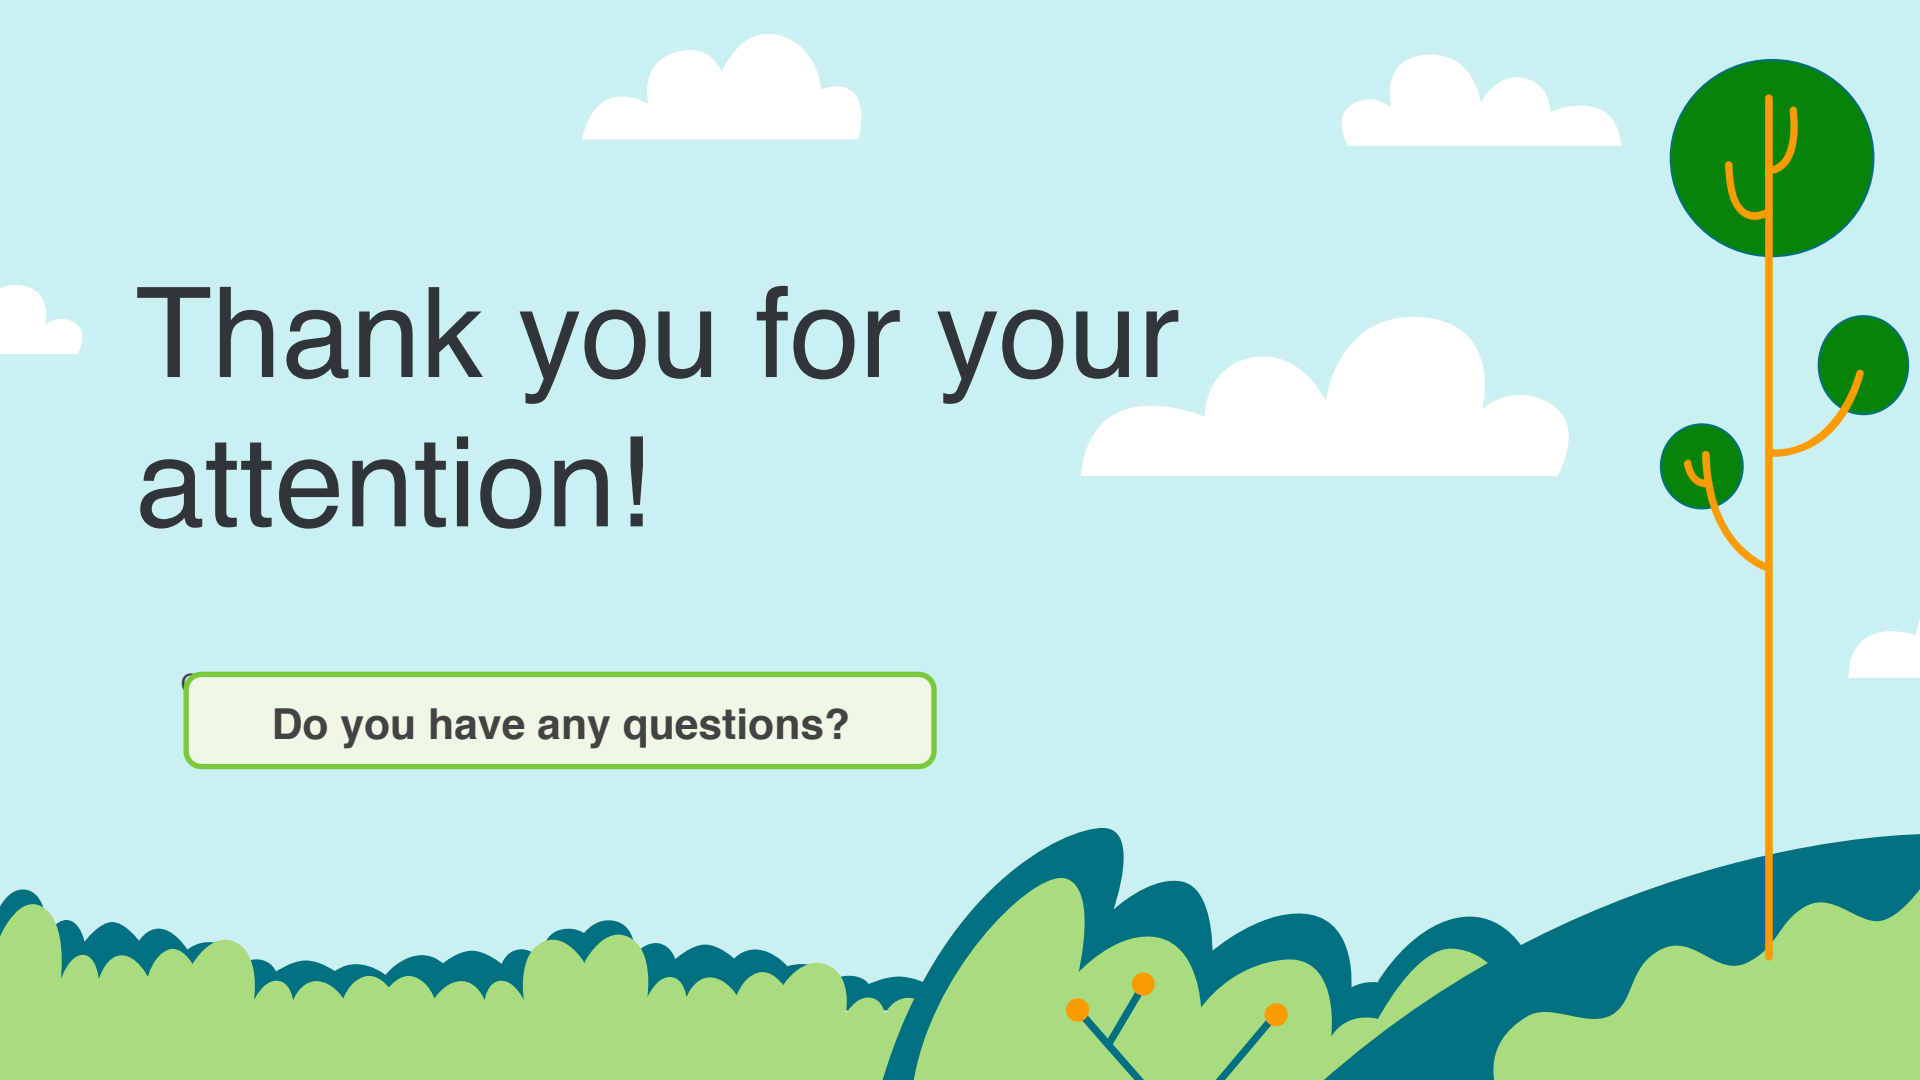

3

**regenerate natural  
systems**

# Project "Međimurje - European Sports Region 2022."

- Tehnix became a partner of this project, because the company has a modern working time system
- Employees are able to devote as much time as possible to sports, nature and culture on weekends

The background is a light blue sky with several white, stylized clouds. On the right side, there is a tree with a thin orange trunk and three green circular canopies of varying sizes. The bottom of the image features a dark blue wavy line representing a horizon or a path, with green bushes and small orange dots on thin stems in the foreground.
